

I am truly honoured and grateful to be named in the 2023 FS Power50, a list of the 50 most influential financial advisers in Australia for 2023, as recognised by the readers of Financial Standard and FS Advice - The Australian Journal of Financial Planning.

I want to express my heartfelt thanks to my Lord for the guidance and blessings that have brought me to this point in my career. I would also like to extend my gratitude to those who nominated me, my valued clients, industry peers, family and friends, as well as my dedicated team, whose unwavering support and hard work have contributed significantly to this recognition.

Being named in the Power50 is a testament to the collective efforts of all those who have been instrumental in shaping the future of the financial advice industry. It underscores the importance of actively participating in industry-based activities, engaging in community-based projects, and promoting the crucial role that financial advisers play in our country's socio-economic future.

I am humbled to be included among financial advisers who are dedicated to making a positive impact in our industry. This recognition inspires me to continue striving for excellence and to be a role model in the way I conduct my professional practice.

Once again, thank you to everyone who has been a part of this journey. I am truly honoured and excited about the opportunities that lie ahead as we continue to shape the future of the financial advice industry together. #Power50 #FinancialAdvice #Influence
